All you need to know about sponsoring a morning tears community

The cost:

1. Sponsoring a community requires 30 Euro or 300 RMB a month.

How morning tears utilises the sponsorship funds:

1. We do not give your contribution directly to the individual child. We combine the donations and these funds go towards the total cost of assisting all the children in our care.
2. The actual cost of helping one child per month is 26 Euro. For every sponsor we find, we can provide one child with all basic requirements, e.g. clothes, food, basic medical care and schooling.
3. We use 4 Euro of your contribution for our organization's overhead costs.
4. We keep you informed about our financial situation in the section called "financial barometer" in our quarterly newsletter.
5. More information on our commitment to use your contribution as efficiently as possible can be found in the "morning tears charter". Contact info@morningtears.org for the charter.

Our link with you:

1. For all your sponsorship enquiries you will be in contact with our Community Sponsorship Coordinator. He/she will be available to answer any questions you may have.
2. We keep you informed about what is happening in the organization through our newsletter and Community newspaper. These will be via email.
3. All communication with you will be via email.

Visiting a children village or sending a gift:

1. Some sponsors occasionally wish to send gifts. If this is something that you wish to do we will first seek advice from the people who care for the children and they will inform us as to whether the gift you wish to send is appropriate for the mental age of the children.
2. If you visit the region, you are very welcome to come to see our childrens village. If you want to do so, however, please contact your community sponsorship coordinator prior to your journey. He/she will arrange a hotel pick-up and a translator for you. In line with child protection guidelines for international organizations, we do not allow unaccompanied visits. A morning tears worker, generally a translator, will join you.

The financial transaction:

1. Your contribution can be transferred monthly (30 Euro), quarterly (90 Euro), every half year (180 Euro) or yearly (360 Euro).
2. You can transfer the amount into an account in Belgium, The Netherlands, Spain or China. Costs of international transactions are paid by the sender. *Note:* Within the EU financial transactions do not entail any financial costs.
3. In China you can send the amount in Euro or in the corresponding amount in RMB.

3 steps towards your sponsorship of a morning tears community:

1. You have just read this document;
2. Please complete the online form “Agreement for sponsoring a morning tears community” (www.morningtears.org); and
3. As soon as we receive both this form and your first financial contribution, we will send you a notice that we consider you a part of our sponsorship community.
